Fellow Code Enforcement Professionals:

Now is the time your Association comes to you to ask that you renew your membership in the Oklahoma Code Enforcement Association.

You may be asking, why should I renew? Let me offer you three reasons.

**First:** Educational Opportunities. The Oklahoma Code Enforcement Association, in addition to your initial Basic Code Certification training, offers two educational conferences each year in the fall and spring.

**Second:** We offer the International Property Maintenance class. The IPMC when coupled with your local ordinances can markedly improve your community.

**Third:** Great networking! It is almost a given that at some point we will have “that case.” Not sure how to proceed, don’t know which way to go, or simply stuck? Getting to know your fellow Code Officers you can reach out directly, or through your OCEA Board for help.

So there it is – three good reasons why you should renew your membership. Wait, there is one more thing. If you don’t renew, members can’t reach out to you to tap your knowledge and experience.

Together, ***WE MAKE A DIFFERENCE!***

Sincerely,

*Felix A. Nance*
