

OCEA Member:

It is time to renew your membership for the fiscal year 2023-2024. On behalf of the Association Officers, thank you for your participation!

Upcoming highlights for the next year include - Basic Code Class scheduled for August 23-25 and November 1-3, 2023, OCEA Fall Conference September 28, 2023 in McAlester, AACE Conference October 4-6 held in Orlando, FL, , and our 2024 Spring Conference in Midwest City.

OCEA members are also AACE members, included in our membership fee. Also stay connected through our website www.oceassociation.com and consider signing up to participate in our Committees – Education, Conference Planning, Safety and in our Ride-Along Program. If interested, contact Janita Hatley at janita.hatley@normanok.gov .

Please complete the enclosed membership form and return it with your dues today. Remember to select Active Membership for those currently employed in the field of Code Enforcement and Associate Membership for those not currently employed in the field. Please include your work mailing address on the membership form.

Also, remember that members are required to complete a minimum of four hours annually of continuing educational credits. If you have received those credits from an organization other than OCEA, please include a copy of completed course certification.

Once again thank you for your continued membership!

Sincerely,

Wayne McCasland

OCEA 3rd Vice-President (Membership)
