\$1,000 Grant Opportunity To Improve Your Community!

The Oklahoma Code Enforcement Association is offering ten \$1,000 grants to cities and towns in Oklahoma, **with an Active OCEA member** for the purpose of community improvement. All types of community improvement projects will be considered – from dumpster rental to clean up a trashy property to supplies to repaint the crosswalks on Main Street to new park benches and more! Although matching funds or in-kind services are encouraged to enhance the project, they are not a reporting requirement for the grant. Money will be reimbursed based on submission of applicable receipts and documentary photos of the project and must be received prior to the end of December 2024. Please complete the attached application form for consideration. Contact OCEA Secretary, Janita Hatley with any questions at janita.hatley@normanok.gov

Grant Submission Deadline is 5 p.m. on Monday, February 5, 2024.
